HYUNDAI

Beauty. Redefined.

At first glance it's the beautiful proportions that really stand out. The All-New Hyundai i30 Tourer combines handsome good looks with all the space and versatility that you are looking for. You also benefit from the kind of advanced connectivity features and stand-out safety technologies that make the All-New i30 Tourer such an attractive proposition.

Designed to move you.

The body language of the All-New i30 Tourer is unmistakable. Its shape and proportions bring new levels of design flair to the class, while offering all the convenience of an estate. The tapering roofline is emphasized by the slender silver roof rails creating a sleekly sporty silhouette. The new cascading grille, striking headlamps and eye-catching LED Daytime Running Lights complete the allure.

Drives as beautifully as it looks.

New turbocharged engines invigorate the performance of the All-New i30 Tourer. The 1.0 T-GDI petrol engine delivers a powerful 120 PS while the 1.6 Turbo-Diesel delivers 110 PS. Together with sharper steering, agile handling and the extensive use of weight-saving Ultra High Strength Steel, it all adds up to a thoroughly rewarding driving experience.

Seamless connectivity.

In the All-New i30 Tourer you'll enjoy access to integrated connectivity, navigation and infotainment systems via the floating 5" touch-screen. Bluetooth, USB, and AUX connectivity will keep you in touch, informed and entertained throughout every journey. It's all presented in an elegant style and quality that typifies the timeless character of the All-New i30 Tourer.

Beauty is more than skin deep.

Opening the tailgate reveals the hidden talents of the All-New i30 Tourer. You'll discover a roomy 602-litre load space that can be extended to a generous 1650-litres by folding down the rear seats. This built-in versatility makes the All-New i30 Tourer your ideal partner for family outings, leisure activities or business purposes. And wherever your day takes you, you know that you'll always be arriving in superlative style.

Protect your most precious cargo.

Peace of mind is assured for everyone on board the All-New i30 Tourer. Its Driver Attention Alert technology monitors driver behaviour and detects any tendency of the driver to lose focus on driving safely. Among other advanced safety technologies are Autonomous Emergency Braking, Cruise Control with Speed Limiter and Lane Departure Warning System.

Cruise Control Cruise control with speed limiter allows you to maintain a consistent speed.

Lane Departure Warning System First visual, then audible warning when leaving a traffic lane without signalling.

Driver Attention Alert (DAA) detects the onset of driver fatigue and provides both acoustic and visual alerts.

Autonomous Emergency Braking (AEB) with Pedestrian Alert function can apply partial or maximum braking force if a potential collision is detected.

Life isn’t all about rational decisions.

Happily, life also brings many rewards. That’s why choosing an estate that supports your multifaceted lifestyle, and has all the versatility to manage the demands of family life, makes so much sense. Even better is the estate with such striking good looks that you feel great every time you sit behind the wheel. The All-New i30 Tourer.
